Norwich Castle and Outreach: EYFS Programme 2019-20

Norwich Castle is undergoing some exciting changes! From autumn 2019 until 2021, the Castle Keep will be closing for redevelopment work which will restore it to its medieval heyday as a royal palace. While the work is taking place, we'll be offering a brand new outreach event as well as one event at the Castle itself. Booking opens on 4 September for events running from 23 September. Find more information on our website.

Events

A New House for the King EYFS
Outreach, max 60 children, £210 for a half-day
With redevelopment work starting on the former royal castle at Norwich, the king and queen are sending out their most trusted advisor to search the land for great builders from among the children of Norfolk! This history-themed maths and literacy EYFS outreach programme will include a range of enthralling activities designed to inspire and engage young children.

Going on a Bear Hunt EYFS
Norwich Castle, max 20 children, £3 per child (minimum fee £45)
This session is an adaptation of Michael Rosen's classic We're Going on a Bear Hunt. Find the polar bear, explore reed beds, seashore and hedgerow, and meet the wise owl and other animals. The session includes song, storytelling and crafts designed to engage young children.

Information, enquiries and bookings:

Booking is essential for all events, and we'd recommend enquiring usually a term in advance. If you'd like to make a booking, contact norwichcastle.bookings@norfolk.gov.uk or call 01603 493636, and have the following information to hand:

- The name and postcode of your school or group
- Whether you'd like the outreach session or Bear Hunt at the Castle
- The number of children
- If schoolchildren, their year group
- The number of accompanying adults
- Which half-term/term you'd prefer
- Whether anyone in the group has any access needs
- For Bear Hunt, whether you'd like a space to eat packed lunches. Please note that our lunch spaces will have reduced capacity this year
