

# What's On at Lynn Museum!

Step back in time as you encounter a life size replica of Seahenge, the astonishing Bronze Age timber circle. Browse around the 'West Norfolk Story' and imagine being a pilgrim in the thriving medieval port of King's Lynn or riding on a magnificent Victorian merry-go-round.

With thousands of objects, interactive displays and audio guides, there's plenty to fascinate the whole family.

## Little lives: Snapshots of Childhood until 11 June 2017

Taking the stories of four local children, alongside objects, photographs and paintings, this exhibition illustrates how the lives of children have changed since 1800.
