

Delivery of Archaeological Archives to Norfolk Museums Service

Please contact the Curator, Alan West (alan.west@norfolk.gov.uk, 01603 493631) to arrange a suitable date and to discuss the archive. We need to know the accession numbers of the sites being delivered, and the number of boxes for each site.

Unless the archive is large, in which case you will be given an alternate address, delivery should be made to:

Shirehall
Market Avenue
Norwich
NR1 3JQ

There is a loading layby at the front of the building. Please ask for Alan West at Reception, which is at the far end of the building.
