

EVENTS FOR SCHOOLS AT NORWICH CASTLE:

KS2 Missing Treasure (Literacy)

Essential information

Maximum group size 60, £4 per student, 10am until 12pm

The event

In this KS2 Literacy event, take on the role of trainee journalists attending a press conference to investigate the disappearance of an artefact from Norwich Castle Museum.

Something has gone missing from the Anglo-Saxon and Viking Gallery! Interrogate the expert curator and question a police officer at the crime scene. Make notes, try to discover what happened to the missing object, and prepare a draft newspaper report which can be developed back at school.

Learning outcomes:

- Use the styles and conventions of journalism to report on an event.
- In non-narrative material, use simple organisational devices (for example, headings and sub-headings).
- Engage with museum objects and environments as sources of inspiration and knowledge.
