

KS3 Norwich Castle Keep Resource and Activity Pack

These activities are designed in conjunction with the [Norwich Castle Keep Virtual Tour](#). The numbers in brackets below refer to the timings on this tour. To access resources, please click on the blue links.

Building of the Keep (02:19-04:38)

- See [a reconstruction of what Norwich looked like before the Castle was built](#), in late Saxon times.
- See what the [first wooden Castle on the site looked like](#), complete with wooden Keep, motte and bailey.
- Watch a video with a [reconstruction of the Norman Keep](#).
- View a [reconstruction of medieval Norwich](#).

Activities

- draw or make your own storyboard showing how Norwich Castle was built
- make your own Norwich Castle using any resource you can – paper, card, building blocks, food – but only if there's enough!

The Bigod Arch (05:15-06:52)

- View [prints of the hunting scenes at either end of the Arch](#) (the capitals of the Arch). These would have reminded visitors that only the King was now allowed to hunt in forests.
- The Bigod Arch was the archway over the door to the Keep. Carved into it were reminders of how people had to behave when meeting the King. For example, the knight in the photo below is kneeling:

Activity

Draw or write what you would have on your bedroom door to remind visitors what to do when they enter or meet you!

Inside the Keep: The Great Hall (06:52-8:19)

Watch a [reconstruction of the interior of the Norman Keep](#).

Activity

Design your dream living space and/or make a model of it using any resources you have, provided there's enough!

Kitchen (09:40-10:13)

Activity

Although the main kitchens would have been in the yards (baileys), the Keep did have its own small kitchen. Why not try researching medieval recipes and, if you've got the ingredients, make your own medieval feast!

Garderobes (10:13-12:38)

Activity

Garderobes were the toilets and wardrobes combined! Carved into the wall was a daisy wheel which was believed to protect against bad spirits. Draw your own daisy wheel or own symbol to ward off evil!

Chapel (14:58-15:55)

Activity

Design your own graffiti. It could be as a knight about to leave for battle (see image below), a prisoner awaiting trial or the end of their imprisonment or something personal to you right now.

Norfolk Museums Service is a partnership between Norfolk County Council and Norfolk's District Councils, funded through council tax, earned income and grants.
