## **Decorative Arts Gallery KS3 & 4**

The gallery is full of objects which have been decorated in many different ways. Many of them are covered in patterns, cut into interesting shapes or disguised to look like something else.

Take a very close look at the objects. Draw any decoration, pattern or shape that catches your eye in the boxes below. Underneath each one, write the name of the object it relates to and how you think its decoration, pattern or shape was achieved – e.g. carved, embroidered.

## **Decorative Arts Gallery KS3 & 4**

Choose 2 of the designs or patterns which you find interesting.
Make a detailed drawing of each. Write down any information about who made it,
where, when and how. Include what the item is made of and how it would be used.

Think about the following questions. Do similar some materials better for creating certain shape pattern, how is the object altered or improved?	es or patterns? By having such a
